The American Holistic Nurses Association is a nonprofit membership organization dedicated to the principles and practice of holistic nursing defined as "the renewing and enhancing of the art of nursing and caring for the whole person"

## HTI Healing Touch Certificate Program™

The HTI Healing Touch Certificate Program™ is a multi-level course of study in energy-based therapy that moves from beginning to advanced practitioner and is complementary to health care. The program incorporates a variety of energy-based modalities that are sequenced in Levels 1 through 5, allowing participants to progress from beginner to practitioner. Students receive a certificate of completion at each level. Upon completion of levels 1-5 and additional requirements, students are eligible to apply for certification through Healing Touch International, Inc. Instructor Training prepares the individual to become an instructor.

Each level in The HTI Healing Touch Certificate Program™ includes both didactic and experiential learning in which participants practice and share experiences using energy-based healing techniques. In addition the program encourages the developing practitioner to enhance skills and knowledge through recommended readings and practice sessions. There is also a strong commitment to personal growth and knowledge of holistic health principles.

### Target Audience

The HTI Healing Touch Certificate Program™ is a nursing continuing education program for registered nurses, health care professionals, body-oriented therapists, psychotherapists or other licensed health care professionals and individuals who desire an in-depth understanding of healing work that uses energy-based concepts.

Certification as a Healing Touch Practitioner is an appropriate goal for those who wish to establish a HT practice or incorporate Healing Touch as a major focus within an existing professional practice.

### Level 1 Description

Level 1 begins with 18 continuing education contact hours of instruction, allowing persons with varying backgrounds to enter, acknowledge their previous learning and to further develop concepts and skills in energy-based therapy. A strong commitment to personal growth is required.

### Level 1 Objectives

The participant will:

1. Describe the human energy system relationship to physical, emotional, mental and spiritual health.
2. Discuss energy principles basic to Healing Touch.
3. Assess the energy field and energy centers.
4. Identify a basic Healing Touch sequence.
5. Demonstrate specific intervention techniques used in Healing Touch.
6. Discuss applications of Healing Touch in personal and professional practice.
7. Discuss expected ethical conduct and standards of practice within Healing Touch.

### Level 1 Course Content

1. Energy system concepts related to health
2. Basics of the energy system – energy field and energy centers
3. Location and function of the chakras
4. Assessment of the energy field and energy centers
5. Meditation for centering and maintaining energetic flow
6. Principles and practice of Healing Touch
7. Selected intervention techniques: Basic Healing Touch Sequence, Magnetic Passes, Magnetic Clearing, Chakra Connection (1 on 1, 2 on 1, self), Headache Techniques (tension, migraine, sinus), Ultra Sound, Laser, Chakra Spread, Scudder (Optional), Mind Clearing (Optional)
